Hospital Without Walls of Port St. Lucie has just been granted their Medicare Certified Home Health License!

St. Lucie County, FL — 05/25/2011

Hospital Without Walls of Port St. Lucie, a Joint Commission accredited Homecare Agency operating in St. Lucie and Martin Counties for the past two years, has just received their Medicare Certified Home Health license. With this license, Hospital Without Walls can further their aim to help and serve the healthcare community. As of May 25th, 2011, Hospital Without Walls will be accepting Medicare Patients for Home Health Services.

Chris Ladue was quoted as saying “Our organization has worked tirelessly over the past two years to accomplish these goals and show the healthcare community that we are an agency committed to quality and performance.”

Hospital Without Walls of Port St. Lucie is part of an organization with a longstanding commitment to quality. The Boynton Beach location, operating for the past 12 years in Palm Beach County, has been named an Elite Agency in quality for Five Consecutive years. Brandon Blake, the Business Manager, stated “that the Port St. Lucie location will continue this rich tradition of quality, and bring the Hospital Without Walls philosophy of patient care to these new areas.

The Joint Commission, founded in 1951, seeks to continuously improve health care for the public, in collaboration with other stakeholders, by evaluating health care organizations and inspiring them to excel in providing safe and effective care of the highest quality and value. The Joint Commission evaluates and accredits more than 19,000 health care organizations and programs in the United States. An independent, not-for-profit organization, The Joint Commission is the nation's oldest and largest standards-setting and accrediting body in health care. To earn and maintain The Joint Commission’s Gold Seal of Approval™, an organization must undergo an on-site survey by a Joint Commission survey team at least every three years.
